Dear Parent/Carer,

We have recently subscribed to Purple Mash, which is a creative educational website for children. Purple Mash is a cross-curricular resource covering Art to Science and all subjects in between. Your child can access Purple Mash from home on a laptop, desktop or a tablet.

Purple Mash is a safe environment that does **not** require any downloading or allow interaction with people online and children **cannot** make any financial transactions.

We will be encouraging the children to continue their learning at home and Purple Mash is a great resource for this.
Topics

Purple Mash has over 1,500 ready-to-use writing and painting projects. They cover everything from aliens to the Victorians. You can use the 'Topics' tab to browse by subject or, alternatively, use the search bar at the bottom right of the screen to look for something specific.

Tools and Games

There are 20+ open-ended tools and games inside Purple Mash. They range in complexity from simple painting programs to sophisticated coding tools. If you're using something for the first time it is a good idea to watch the help vidoes which can be found by clicking the monitor icon at the top right of the screen or the help documents.

How to login to Purple Mash

1. Access school website - http://www.spixworth.norfolk.sch.uk/
2. Click on Learning Links
3. Under the Topic tab click on the Purple Mash link
4. Login with your child's username and password
