

Learning Circles

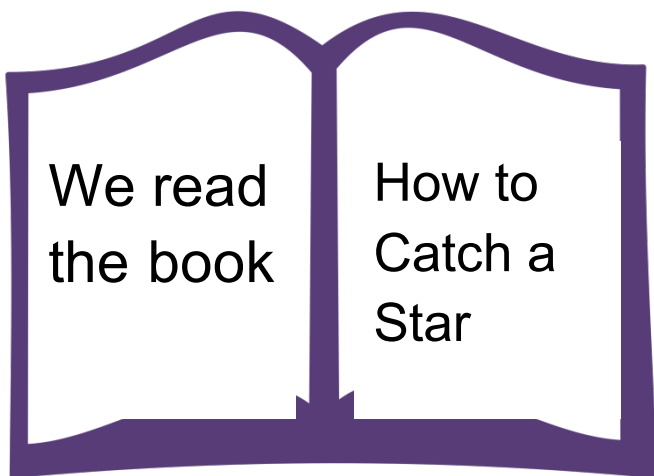

Today in our learning circle we learnt about:

Our Children's Learning Policy says that to be a good learner, we should:

Persevere

I am not put off by being stuck
I know that learning can be
challenging
I know I will get there if I keep trying

We wondered:

Can we compare how we
feel when we persevere and
when we do not?

Can you play the game: Tallest Towers?

Make a tower with small bricks, raisins or paper clips. How tall can you make your tower? How many times will you try to make it taller?
