

Learning Circles

Today in our learning circle we learnt about:

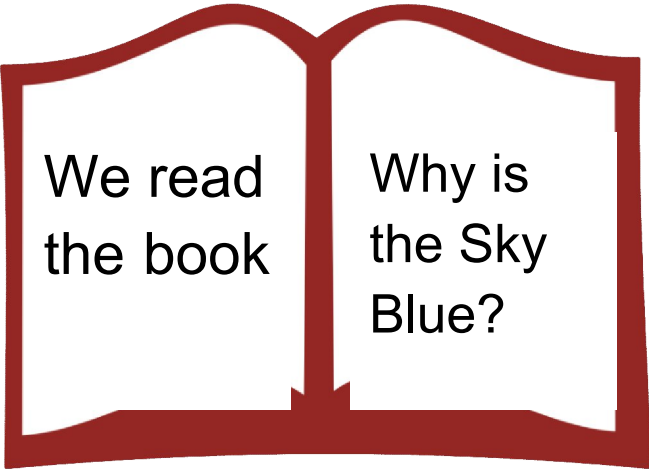

Asking Questions

Our Children's Learning Policy says that to be a good learner, we should:

Ask Questions

I am curious about things and people
I listen carefully so I can ask relevant questions
I am not afraid of not knowing

We read
the book

Why is
the Sky
Blue?

We wondered:

Why is it important to ask
questions?

Can you play the game: What Am I?

Ask your partner to write the name of an object on a Post-it note and stick it on your back. Ask questions to find out what the object is.
