

Spixworth Infant School Equality Objectives

2017-18

Our equality objectives are:

- To move beyond deterministic notions of fixed ability and to model teaching and learning behaviours that avoid labelling.
- To challenge the highest attaining children to ensure they exceed age related outcomes at the end of the EYFS.
- To diminish the difference between the achievement of pupils with SEN and those with no SEN in Reading, Writing and Maths at the end of Key Stage 1.
- To promote a broad curriculum which enables children to excel in a diverse range of skills and develop high personal aspirations based on an increased awareness of rich experience and opportunity
