

We want your child to be safe, happy and learning at school.; if you have a concern or problem there are things you can do:

Talk to the teacher. It may be possible to resolve things with a quick word. If it needs more time an appointment can be made.

Talk to the Headteacher. She is usually available at the start and end of the day for a quick word, or you can make an appointment at the office.

Talk to a Governor. Parent governors are often around at the start and end of the day or at events. If not, you can make an appointment at the office.

If you are unsure about what to do or who to approach, please ask at the school office and we will be happy to advise you.

Please let us know:

Straight away if your child is ill and has to miss school (If your child has been sick or had diarrhoea they must remain off school for 48 hours after the last incident)

As soon as possible if you are delayed at the end of the day or someone different is collecting your child so we can keep your child safe

In advance if you need to take your child to a medical appointment

In advance if absence due to a holiday in term time is unavoidable

Straight away of any changes in your contact details—we need to ensure these are kept up to date in case we need to contact you quickly

Home School Agreement

For children to achieve their best there needs to be a strong partnership between home and school. We must all recognise our responsibilities within this partnership. In this leaflet we set out our expectations for ourselves, our pupils and their families.
