Aims to eradicate discrimination

The Federation of Spixworth Schools believes that a greater level of success from pupils and staff can be achieved by realising the uniqueness of individuals. Creating a prejudice-free environment where individuals feel confident and at ease is a commitment of the federation. This environment will be achieved by:

- Being respectful
- Always treating all members of the school community fairly
- Developing an understanding of diversity and the benefits it can have

- Adopting an inclusive attitude
- Adopting an inclusive curriculum that is accessible to all
- Encouraging compassion and open-mindedness

We are committed to having a balanced and fair curriculum. We believe that our pupils should be exposed to age-appropriate ideas and concepts that may challenge their understanding to help ensure that pupils learn to become more accepting and inclusive of others. Challenging and controversial concepts will be delivered in a way that prevents discrimination, and instead promotes inclusive attitudes. We will also respect the right of parents to withdraw their children from certain classes which pose conflicts to their own beliefs.

The Federation of Spixworth Schools does not tolerate any form of prejudice-related incident. Whether direct or indirect, we treat discrimination against all members of our federation with the utmost severity. When an incident is reported, through a thorough reporting procedure, our federation is devoted to ensuring appropriate action is taken and a resolution is put into place which is both fair and firm. Prejudice-related incidents are reported to the local authority annually.
