

Oak Class

Our Spring term topic is 'Castles and Dragons'. We have been very busy with our learning so far, from our virtual castle visit to listening to Celtic songs from Wales. We can't wait to see where our learning leads to next.

We really enjoyed our virtual visit from Norwich Castle. We completed various activities including making our own pennant and sorting objects that would belong in a Castle!

We will be developing our understanding of Norwich Castle by learning about William the Conqueror in our History lessons this half term.

Year 1s have been exploring the exciting, traditional tale of Little Red Riding Hood in English. We went for a trip into the woods, explored what wolves look like, sound like and the way they travel. We completed our unit by writing our own retell of the story.

Reception have been exploring the story of 'We're going on a bear hunt'. We had to create an alternative version of the story!

Nell - 'We are going on a Jaguar hunt!'

Rowan - 'We are going on a Rhino hunt!'

In our gymnastics lessons, we have been exploring our balancing skills.

As well as this we have been creating simple sequences of moves including travel (e.g. tummy, hands and feet), a balance and a roll.

Next, we will be moving onto dance. We are going to be learning line dancing and street dancing!

In Geography we have been learning all about the United Kingdom. We explored the 4 Countries and their capital cities. We then researched the Castles that we may find in each Country.

Music has taken us on a tour of the United Kingdom, we have listened to bagpipes from Scotland and Celtic songs from Wales. We have thought about how the music makes us feel as well as the tempo and the pitch.
