## **Statement of intent**

The Federation of Spixworth Schools recognises that certain groups in society can be disadvantaged because of unlawful discrimination they may face due to their race, sex, disability, gender reassignment, marriage or civil partnership, religion or belief, sexual orientation, age, or pregnancy and maternity.

The school has a statutory duty to publish an Equality Information and Objectives Statement. This policy sets out how the school determines its equality objectives.

# 1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Human Rights Act 1998
- The Special Educational Needs and Disability Regulations 2014
- Education and Inspections Act 2006
- Equality Act 2010
- The Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017
- Public Sector Equality Duty (PSED)
- Data Protection Act 2018
- The UK General Data Protection Regulation (GDPR)

This policy also has due regard for non-statutory guidance, including the following:

- DfE (2014) 'The Equality Act 2010 and schools'

This policy operates in conjunction with the following school policies:

- Equality Information and Objectives Statement
- Admissions Policy
- Complaints Procedures Policy
- Grievance Policy
- Data Protection Policy
- Bullying and Harassment (Dignity at Work) Policy

The Equality Act 2010 provides a modern, single legal framework with three broad duties:

- Eliminate discrimination harassment and victimisation
- Advance equality of opportunity
- Foster good relations

For the purpose of this policy, the Equality Act 2010 will be referred to as 'the Act'. The federation fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities. Protected characteristics, under the Act, are as follows:

- Age
- Disability
- Race, colour, nationality or ethnicity
- Sex
- Gender reassignment
- Maternity and pregnancy
- Religion and belief
- Sexual orientation
- Marriage and civil partnership

The Act makes it unlawful for the responsible body of a school to discriminate against, harass or victimise a pupil or potential pupil:

- In relation to admissions.
- In the way it provides education for pupils.
- In the way it provides pupils access to any benefit, facility or service.
- By excluding a pupil or subjecting them to any other detriment.

The responsible body for the school is the governing board or the LA.

The federation's liability not to discriminate, harass or victimise does not end when a pupil has left the schools, but will apply to subsequent actions connected to the previous relationship between school and pupil, such as the provision of references on former pupils or access to former pupils' communications and activities.

The federation will promote equality of opportunity for all staff and job applicants.

## **2. Roles and responsibilities**

The governing board will:

- Ensure that the federation complies with the appropriate equality legislation and regulations.
- Meet its obligations under the PSED to:

- Abide by all the federation's equality and diversity policies, procedures and codes.

The school will have an equality page on its website, in order to demonstrate how it is complying with the PSED in the Equality Act 2010, and advancing equality of opportunity.

### **3. Equality objectives**

The federation is committed to promoting the welfare and equality of all its staff, pupils and other members of the school community.

The federation sees all members of the school community as of equal value, regardless of any protected characteristic. The federation's policies, procedures and activities will not discriminate but must nevertheless take account of differences in life experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to any protected characteristic.

The federation's Equality Information and Objectives Statement sets out how the federation is meeting the PSED and outlines how equality of opportunity is ensured for all members of the school community. The Equality Information and Objectives Statement is reviewed at least every four years and is published on the school website annually.

The federation will consult with stakeholders to establish equality objectives and draw up a plan based on information collected on protected groups and accessibility planning.

To achieve this, the federation has established the following objectives:

- To promote cultural development and respect for all people through a rich range of experiences
- For every staff member to have high expectations for every child, regardless of their protected characteristics or needs, to best support them in meeting at least age-expected outcomes

- To establish a physical environment where all current and future members of the community can equally access our school

The federation will regularly review the steps being taken and the progress made towards the achievement of these objectives and, in line with the specific duties of the PSED.

#### **4. Collecting and using information**

In accordance with the requirements outlined in the UK GDPR and Data Protection Act 2018, personal data will be lawfully collected and processed in line with the principles and practices outlined in the Data Protection Policy and only for specified, explicit and legitimate purposes, e.g. to comply with the school's legal obligations.

The federation will collect equality information for the purpose of:

- Identifying key issues, e.g. unlawful discrimination in teaching methods.
- Assessing performance, e.g. benchmarking against similar organisations locally or nationally.
- Taking action, e.g. adapting working practice to accommodate the needs of staff who share protected characteristics.

The federation will build an equality profile for staff to assist with identifying any issues within their recruitment regime. The federation will obtain the following information from their staff:

- Recruitment and promotion
- Numbers of part-time and full-time staff
- Pay and remuneration
- Training
- Return to work of staff members on parental leave
- Return to work of disabled employees following sick leave relating to their disabilities
- Appraisals
- Grievances (including about harassment)
- Disciplinary action (including for harassment)
- Dismissals and other reasons for leaving

The federation will use the information it obtains to analyse any gaps present in its equality documentary, including the Pupil Equality, Equity, Diversity and Inclusion Policy and Staff Equality, Equity, Diversity and Inclusion Policy.

#### **5. Publishing information**

The federation will publish information to demonstrate its compliance with the Act. The federation will publish information relating to people within the school community who share relevant protected characteristics, including:

- People affected by the school's policies and procedures.

The federation will not provide this information if:

- The employee is employed under contract personally to do work.

- The employer does not have this information, and it is not reasonably practicable for the employer to obtain the data.

The federation will publish findings in its annual report.

## **Promoting equality**

The federation will consult with stakeholders to establish equality objectives and draw up a plan based on information collected on protected groups and accessibility planning.

Equality objectives will be published at least every four years commencing on the date of the last publication.

Bullying and prejudice will be carefully monitored and dealt with accordingly.

Training will be given to both existing and new staff to ensure that they are aware of the process for reporting and following up incidents of prejudice-related bullying.

## **6. Addressing prejudice-related incidents**

The federation is opposed to all forms of prejudice. The federation will ensure that pupils and staff are aware of the impact of prejudice. The federation will address any incidents immediately and, where appropriate, report them to the LA.

## **7. Complaints procedures**

The federation aims to resolve all complaints at the earliest possible stage and is dedicated to continuing to provide the highest quality of education possible throughout the procedure. Any person, including a member of the public, is able to make a complaint about the provision of facilities or services that the school provides.

The federation will adhere to the Complaints Procedures Policy to ensure a straightforward, impartial, non-adversarial process, that allows a full and fair investigation, respects confidentiality, and delivers an effective response and appropriate redress. If a complaint has completed the federation's process and the complainant remains dissatisfied, they have the right to appeal, as outlined in the Complaints Procedures Policy.

The federation works to develop good professional relationships between colleagues; however, the federation understands that sometimes conflicts may arise. Through maintaining open communication, the federation wants its employees to feel able to raise any grievances so that appropriate and effective solutions can be put in place. Grievances raised by staff members will be processed in accordance with the federation's Grievance Policy.

## **8. Monitoring and review**

The senior leadership team will review this policy annually, to ensure that all procedures are up-to-date. The policy will be monitored and evaluated by the senior leadership team and governing board in the following ways:

- Individual attainment data
- Equal opportunities recruitment data

- Equality impact assessments
- Ofsted inspection judgements on equality and diversity
- Incident records related to harassment and bullying

Any changes made to this policy will be communicated to all relevant stakeholders.
