

# Confident Koalas Class

*“Confident Koalas – we can do it!”*

*Spring Newsletter 2023*

## English - If I were in charge of the world..

In English Confident Koalas have been having lots of fun with a poem inspired by Judith Viorst. We have been learning that not all poems rhyme, how chunks of the poem; called stanzas group together similar ideas and how we can use repetition to create rhythm. Here are some of our own ideas if we were in charge.

*“If I were in charge of the school, I would cancel salad and olives. I would ride a unicorn and have bunnies for pets.”*

*Phoebe*

*“If I were in charge of the world, I would get rid of broken pencils and England losing the World cup.”*

*Harvey*

*“If I were in charge of the school we would have chocolate every lunch.”*

*Archie*

## RE Day – 16.12.22

At the end of last half term we had our second RE day! We learned about what the Nativity story teaches Christians about Christmas. We wrote postcards to retell key events of the Nativity story, created stain glass windows to represent key characters and had fun making a Nativity shoebox.

## History - Robert Marsham

Did you know that Robert Marsham was the first pioneer phenologist to record the seasonal changes of springtime over 300 years ago?

In History we have discovered that Robert Marsham lived locally in Stratton Strawless, 1.4 miles from Spixworth and that his records are helping scientists understand how our climate is changing today!

## Lego day – 23.11.22

Koalas had an amazing time on Lego day for their wellbeing. We had fun making self-portraits and our favourite animals, which were a mixture of real and imaginary. Teamwork and communication was a vital skill when building the tallest tower. Koala Class showed resilience and perseverance especially when things did not go to plan. Well done Koala Class!
