

Confident Koalas Class

“Confident Koalas – we can do it!”

Spring 2 Newsletter 2023

English – The Marvellous Fluffy Itty Bitty...

Confident Koalas have loved reading the Marvellous Fluffy Itty Bitty by Beatrice Alemagna. We wrote our own versions of the story.

Here is an extract:

The Marvellous Eagle Headed snake tailed flying turtle by Casper

Eddie’s dad is 37 years old, he is very good at making things and teaches different languages and is extremely kind. First, he went to Tesco, it smelt like stinky cheese. He saw crazy fish and he saw millions of chicken. All he got was a Tesco toy

The Marvellous unicorn turtle by Nancy

Mum doesn’t know what to get Eddie she mentioned a unicorn turtle but where oh where would she find it! She went to Co-op but she just got a green stamp.

Computing:

Confident Koalas really enjoyed learning about programming using the Beebots. We used our programming skills to create our own Beebot maps in groups; we were very impressed with the tunnels, trees and buildings the Beebots had to navigate.

In our groups, we created algorithms for our Beebots to follow around our maps.

Uh oh! Obstacle - we had to debug our algorithm to solve the problem!

PE- Gymnastics

In our PE lessons, we have been focusing on our Gymnastic skills. We have thought carefully about our safety when using the apparatus. We have learnt about different balances, rolls, jumps. We have put together simple sequences including travel, jump and a balance. We really enjoyed using the apparatus!

Geography

🎵 “Asia, Africa North and South America, Antarctica, Europe, Australasia we have learnt about the 7 continents through song!

🎵 We found out about hot and cold climates and located them on a world map.

“A continent is a mass of land” Seb

“There are 5 oceans, the Atlantic, Pacific, Indian, Southern, Arctic.” Archie B
