# Panda Class Newsletter

Spring 2 2023

All over town, we have been searching for the Marvellous, Fluffy, Squishy, Itty Bitty! Did you manage to spot it on World Book Day? This half term, Year 1 took on the challenge of being an author and re-writing Eddie's adventure as she looks for a present for her mum.

## Maths

Reception

We have been finding pairs around our classroom, we know we have a pair of eyes and ears!

Year 1

Year 1 have been working hard to consolidate place value for two-digit numbers up to 50. They really enjoyed working on partitioning using Base 10.

## D.I

After feeling inspired by 'Dear Zoo' by Rod Campbell, the Year 1's had to design a sock puppet that could be used in our class theatre. They worked hard thinking about appropriate materials, careful colour choices and being able to evaluate their product.

## Science

In Science, we have been conducting an experiment; looking at the conditions that a plant needs to survive and flourish, and those in which it might not. Alongside this, the children are also keeping their own diary, monitoring how their pea plants grow.

In PE, Pandas have been exploring different types of dance – so far, we have explored Line Dancing and Street Dance! Which is your favourite?

**Please remember** to wear PE kit on Tuesdays and Thursdays, and have your piercings covered. Please make sure to have named wellies, coats and water bottles in school for outdoor learning/playtimes every day.
