# Star Class Newsletter

Spring 2 2023

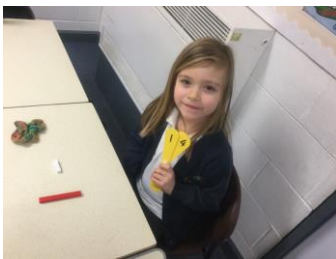

Have you seen the Marvellous, Fluffy, Squishy, Itty Bitty? We have looked all over the city for it. This half term we have been reading about Eddie's adventure as she looks for a present for her mum. Next, we wrote our own versions using inspiration from Alemagna's exciting text.

## Maths

Year 2 have been exploring place value and time.

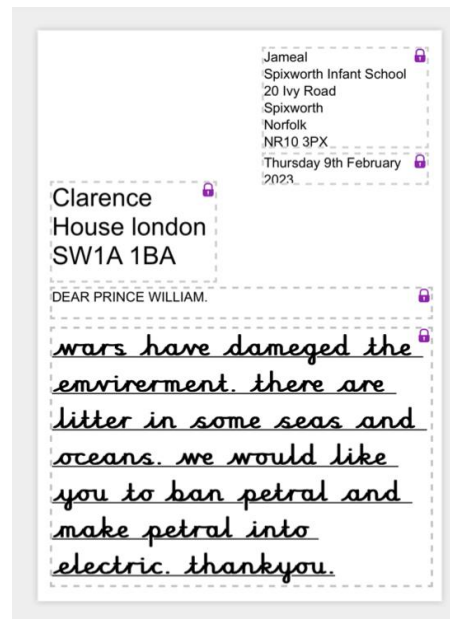

Year 1 are very proud to be consolidating place value for two digit numbers up to 50.

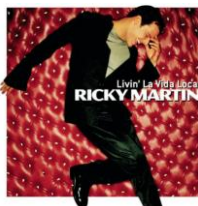

## History

We have been learning about Robert Marsham and his role in studying the environment. We used what we learned about the past to write a letter to someone to tell what we would like to happen for the future.

In Music, Stars have been exploring different types of music – so far we have explored Blues, Baroque and Latin. Which is your favourite?

**Please remember** to wear PE kit on Wednesdays and Fridays. Please make sure to have named wellies, coats and water bottles in school for outdoor learning/playtimes every day.
