

Creative Caterpillars - Year 1/2- Miss Durban: Autumn 2

ENGLISH

In English we have been reading *George and the Dragon* by Wormell and have learnt how to use repetition, onomatopoeia and expanded noun phrases to create some incredible descriptive writing!

We have been busy this term learning all about the human body in science, how to build a structure out of cardboard and tasting couscous salads in DT as well as some photography in Computing!

SCIENCE

In science this term we have been exploring life processes. We have learnt all about life cycles of different animals including metamorphosis. We have also learnt about what humans need to survive and be healthy and why hygiene and soap is important with some fun experiments!

MATHS

In maths we have been using part whole models, tens frames and double sided counters to help us complete addition and subtraction problems.

COMING UP

Our Christmas performance 'The Little Fir Tree' is coming up! Please make sure children bring in their costumes in named bags ready for the performance. The children will be making their own headbands to add to their outfit at school.

DATES FOR THE DIARY

- 13th Dec: KS1 Performance (9.15am & 2.30pm)
- 15th Dec: Choir at St Mary's Care Home PM (singing club only)
- 18th Dec: Christmas dinner, Christmas jumper day & Online Robin Hood Panto
- 20th Dec: Break up for holidays!

REMINDERS

Please make sure all of your children clothing is named.
Please ensure that your child has a pair of named wellies in school for any rainy break times and outdoor learning!
