

### Key Area 1: Quality of Education

- To secure and extend the foundation subjects structure to fully impact on learning as a whole
- To personalise and extend approaches in Maths, Writing and Phonics and to specifically meet school, cohort and individual needs
- To establish a culture of excellence in reading

### Key Area 2: Outcomes

- To respond efficiently and effectively to identified academic gaps
- To embed strategies that impact on the rapid progress of the lowest and highest 20% in Reading, Writing and Maths
- To establish vocabulary as an essential foundation for all learning, closing the attainment gap between disadvantaged and non-disadvantaged pupils

### Premises Development

#### Infant

- Installation of CCTV security system
- Refurbish three classrooms

#### Junior

- Install high level fencing to one area
- Installation of CCTV security system
- Develop allotment area

## SIDP on a page 2024-25

Community, Adventure, Respect, Excellence

### Key Area 3: Behaviour and Attitudes

- To enable pupils to take responsibility for their own behaviours, making positive choices that enhance their own and other's social experiences
- To embed the Federation Values with all stakeholders

### Key Area 6: Early Years Foundation Stage

- To further support the development of curiosity and aspiration through first-hand experiences within Understanding the World
- To provide opportunity for every child to achieve GLD through responsive assessment, provision for all and reasonable adjustments, particularly in PSE

### Key Area 5: Effectiveness of Leadership and Management

- To implement peer coaching with staff, with a specific focus on the sequencing and modelling and scaffolding Theories of Action
- To respond rapidly to ensure all teaching and learning has excellent impact on outcomes
- To efficiently and effectively manage the growth of the Federation from 2 schools to 3, with the potential for further growth

### Key Area 4 Personal Development

- To implement and embed Career Related Learning that impacts on aspiration and opportunity for all
- To establish procedures to effectively support short and long term well-being needs
