WEEKLY BULLETIN

Friday 15th May

Moon Class

Milky Way

On Tuesday (19th May) we will be having our class photographs taken. Children from Milky Way Class will need to come into school in their normal school uniform instead of their PE kit. Please pack a pair of trainers for their PE session!

Rocket

On Tuesday (19th May) we will be having our class photographs taken. Children from Rocket Class will need to come into school in their normal school uniform instead of their PE kit. Please pack a pair of trainers for their PE session!

Orion

National Numeracy Day

On Wednesday (20th May) we will be celebrating National Numeracy Day. The theme 'Numbers in everyday life', we would love for all children to wear a top to school with a number. We are launching a whole school challenge which is to find numbers in everyday life so that we can fill a 100 square. For this, we need your help! While out and about we would love for you and your children to take photos of the numbers you see and share them with us on Tapestry. We would like:

Moon class to look for numbers 1-19.
Milky Way class will be searching for 21-39.
Rocket class please help us find 41-74.
Orion class are challenged to find numbers 65 - 99.
The staff will add the tens!!

ALL YEAR GROUPS

FATHERS DAY MESSAGES- Norwich Evening News will be publishing their Father's Day articles again this year. We would like to take part; however we require your consent for your child's message to be published. If you do not consent your message will not be published. Please complete this form Fathers Day Consent 2026 before 12pm on Friday 22nd May.

DATE FOR YOUR DIARIES- Please mark in your diaries that sports morning and picnic is on Wednesday 17th June 9.15am-1pm. More details will follow soon.

WALK TO SCHOOL WEEK-Next week is 'Walk to School Week' which will run from Monday 18th to Friday 22nd May.

During this week we are asking your child to walk part, or all of the way, into school. We appreciate that you may need to drive to school as children may live further away or you may have an onward journey to make, but you can still take part by parking slightly further away than usual and walking some of the distance.

Children may choose to bike, scoot or walk in. The benefits of this are huge, it will give children fresh air to start their day, along with some exercise but it will also make a difference to parking outside our school, which can sometimes be very crowded and unsafe.

Teachers will sign off each day that children walk, scoot or cycle. If children complete some form of walking/scooting/cycling to school each day this will be added to the class record. The class who has walked the most will be highlighted during the end of week Celebration Assembly.

Reminders

- **Class photos are on Tuesday (19th May) and all children need to be in their school uniform.**
- Please ensure you have ordered your child's lunch for the following week by 12pm Friday. If lunches are not ordered before the deadline, please ensure your child brings in a home packed lunch.
- We can't always guarantee availability in Breakfast and Afterschool club so please can spaces be booked in advance where possible.
- Please ensure your child has a water bottle and sun hat every day now that the weather is getting warmer

Research Study – Parents Invited to Take Part

A postgraduate researcher from the University of East Anglia is inviting parents with an immigrant background to take part in a short online study. The research explores experiences of moving to and settling in the UK including feelings of belonging and everyday challenges, and how these experiences may relate to young children's behaviour and emotional development. There are two versions of the survey depending on your child's age.

We are looking for parents/carers who:

- Live in the UK
- Are first- or second-generation immigrants
- Have a child aged 1.5–3 years or 4–7 years
- What does participation involve?
- One anonymous online questionnaire
- Takes around 10–15 minutes
- Can be completed on a phone, tablet, or computer
- Optional entry into a £30 prize draw as a thank you

Please use the relevant link below:

For children aged 4–7 years: https://app.onlinesurveys.jisc.ac.uk/s/ueapsych/childhood-survey-4-7-years-duplicate

For children aged 1.5–3 years: https://app.onlinesurveys.jisc.ac.uk/s/ueapsych/toddler-survey-1-5-3-years-duplicate-2
