Sculpture and 3D – Clay Houses

What techniques could you use to create a house tile using clay?

The skills I need....

- Further demonstrate increased control with a greater range of media.
-Begin to generate ideas from a wider range of stimuli, exploring different media and techniques.
-Use hands and tools with confidence when cutting, shaping and joining paper, malleable materials.
-Explain their ideas and opinions about their own and others' artwork, beginning to recognise the stories and messages within in and showing an understanding of why they may have made it.
-Begin to talk about how they could improve their own work.

Flatten	Press or shape the clay into a flat surface.
Pinch pot	A pot made by pinching a lump of clay.
Score	Scratching or scoring the surface of the clay
Sculpture	A solid object.
Slip	A colour made by mixing two primary colours.
