Geography Knowledge map

What makes each country in the UK unique?

Vocabulary	
City	A city is a large place where many people live and work together.
Capital	A capital city is a special city where the main government of a country or region is located.
Country	A country is a large area of land where people live under the same government and share common rules and laws
Landmarks	Landmarks are special places or objects that are easily recognized and hold significance, often because they tell us something about history, culture, or nature.

Skills I need:

-Enquiry: Use a range of sources to recognise landmarks and features.

-Human & Physical: Identify similarities and differences of human and physical geography in the UK

-Location & Place: Identify characteristics of the four countries and capital cities of the UK.
